About This Game

Imagine facing your nightmares in a lonely and frightened way,

Kira and his teddy bear find themselves in a situation like this and try to find a way out by solving the puzzles they face.

Help Kira to explore his world and guide him through this dilemma. Find the secret ways and defeat the darkness with Kira's intelligence.

Have a pleasant time with the misleading and dynamically changing levels. Enjoy the interaction of Kira and his world with puzzles.

Cubesc offers you a unique minimalist puzzle experience in a fantastic atmosphere of 3D designs and visuals.

Unique melodies and music adapted to Kira's journey

Features:

- 60 distinct and difficult level
- Dark and gothic concept
- Beautifully crafted minimal puzzle game
- Many hours of fun

-
- Stunning graphics

cubescan biocon 900. cubescape game. cubescan biocon 700. cubesc dream of mira. cubescan biocon 500

I love games that stretches me to use my logical thinking, Cubesc is one of them. The music is relaxing, the graphics looks great. The only thing I am searching for right now is how to change the transition scenes messages to English so I know more about the story.

Good game and I am enjoying it. You can see my initial play at the links below:

<https://www.twitch.tv/videos/257769078>

<https://www.youtube.com/c/vgameyabrain> (video will be moved to YT a few days later). [\u2b50\u2b50\u2b50\u2b50](#). It's a really fun game :) Some levels are really challenging...give it a try. fun game if you like puzzles. Best puzzle game i have ever played.. Fun to play. enjoyable puzzle. enough to keep me interested.
